

Decorator Data Checklist

I am responsible for:

- Coming up with a party theme
- Choosing colours and symbols
- Creating samples of decorations to be used

I must write the URL of each link I have used in the table below, as well as any information I'm going to use.

Who am I planning for: _____
(Describe the child you are studying)

Considering Colours What colours are considered festive? Which colours are not appropriate for this event?	
Considering Shapes and Symbols eg. curves are considered good luck in some countries while jagged lines are bad luck. What message is are you sending when using a symbol or shape?	
Considering Room Decorations eg. balloons, lanterns, streamers. What decorations will make the room fun?	
Considering Body Decorations Are body decorations appropriate? eg. party hats, face painting.	
Best Selections What are your final choices?
